Dear Sir,

Subject: Sanction for Industry Project - Reg.

I am pleased to update the Industry Project for grant of Rs. 1,55,000/- (Rupees One Lakh Fifty-Five Thousand Only) through our Research Centre under the guidance of Dr. T. Srinivasarao (Principal Investigator). The Project Proposal entitled "Investigation on AA 5083 Plates joined using Double Side Friction Stir Welding" was selected, for which financial assistance will be provided through the management. The amount sanctioned is to be spent as per the budget relating to the project only. The principal investigator shall fulfill the following terms and conditions.

- A span of 6 months shall be the overall duration for the completion of the project and submitting the final report as well
- The project outcomes must be submitted to our research center only
- Allocated grant should be deposited into the account of the college
- No honorarium will be paid to principal investigator for under taking the project.
- A final copy should be hardbound and submitted with all necessary acknowledgements from the concerned authorities from the college.

From

Vinodkumar Vasireddy/ Gopala Krishna Kolli
Directors
Elegans Projects
Hyderabad – 500033

To

Mr. B. Suresh Kumar ,
Associate Professor,
Department of Electronics & Communication Engineering,
Chirala Engineering College Chirala,
Ramapuram – 523157.

Dear Professor

We are happy to inform you that you have submitted a Research project proposal entitled "DESIGN & IMPLIMENTATION OF GSM BASED INDUSTRIAL AUTOMATION USING ARDUINO" from the inputs of our discussions early this month. We the Directors Gopala Krishna Kolli/Vinodkumar Vasireddy have reviewed your proposal and found feasible to do. Further we found that the outcome of the proposed work can be developed in later stage. We also agree that the outcome of the work can be published as joint research article in reputed journals.

We, hereby agree that we can sanction a sum of Rs 90000/- as per request on the following conditions

- Elegans projects will release the amount only after the submission of the project completion report
- While publishing the works, Director Elegans projects, shall be one of the authors for joint publication.
- The sanctioned amount Rs. 90000/- can be spent only for the project works
- Any additional expenses incurred for the completion of the project work, shall be borne by Chirala engineering college only.

My best wishes for the successful completion of the project.

Gopalle

We are happy to inform you that you have submitted a Research project proposal entitled **"SMS BASED SMART VEHICLE IGNITION CONTROLLING SYSTEM WITH DRUNK AND DRIVE PROTECTION"** from the inputs of our discussions early this month. We the Directors Gopala Krishna Kolli/Vinodkumar Vasireddy have reviewed your proposal and found feasible to do. Further we found that the outcome of the proposed work can be developed in later stage. We also agree that the outcome of the work can be published as joint research article in reputed journals.

We, hereby agree that we can sanction a sum of Rs 90000/- as per request on the following conditions

- Elegans projects will release the amount only after the submission of the project completion report
- While publishing the works, Director Elegans projects, shall be one of the authors for joint publication.
- The sanctioned amount Rs. 90000/- can be spent only for the project works
- Any additional expenses incurred for the completion of the project work, shall be borne by Chirala engineering college only.

My best wishes for the successful completion of the project.

Director
Vinodkumar Vasireddy/ Gopala Krishna Kolli
